VAPE CARTRIDGES

INSPIRED BY DAY DREAM SOUR KUSH HYBRID 400MG THC PER UNIT	INSPIRED BY PARADISE ISLAND DELA HAZE SATIVA 400MG THC PER UNIT	INSPIRED BY LIBERATION BUDDHA'S SISTER INDICA 400MG THC PER UNIT	INSPIRED BY ZEN'S GARDEN BLACK WIDOW CBD HYBRID 142MG THC / 265MG CBD PER UNIT
Inspired by Sour Kush, Day Dream is a terrifically tart and superbly pungent hybrid. Expect a flavour profile of invigorating pine and crisp citrus.	Inspired by the sativa-dominant Dela Haze, Paradise Island leads with earthy haze flavours, and mingles with a zesty citrus punch to finish.	Inspired by Buddha's Sister, Liberation brings a tart, fruity flavour to table, accompanied by some light spice for this indica-dominant formula.	Inspired by Black Widow CBD, Zen's Garden provides an earthy & spicy flavour with a hint of floral, just like walking through a forest (or maybe your own zen garden!).
